Where 'old' is often newer than the 'new'

Berlin and Dresden were decimated in WWII. Now, risen from the ashes, they are two of the most exciting and rewarding cities in Europe. Here in the old 'East', they have vigorously rebuilt many of the old cathedrals and churches, grand buildings and stately palaces. Simply stunning, the glory days are back but with a conundrum. The newer, modern looking buildings (post war) are now often much older than the majestic old cathedrals and palaces, which are of course the new ones! Bursting with classic sights and major museums, these cities have so much to offer. One of my most cherished memories was enjoying a 'nourishing', cool beer in a Dresden café, with the late afternoon sun shining down on the glorious Frauenkirche. And in front of me was a busker, playing classical pieces on a white, grand piano. For that sort of experience you need time, and that is why we insist on staying 3 nights in Berlin, Dresden, Prague and Salzburg. I also planned special 2 night stops in amongst the idyllic waterways of Spreewald, historic Cesky Krumlov and ancient Füssen. Breaking up the journey like this allows us so much more time to relax and savour each destination plus enjoy boat rides, scenic walks and full days exploring places like Potsdam's Palaces, glorious Saxon Switzerland, Kutná Hora and Třeboň. Now complete the picture with time to explore baroque Salzburg, Innsbruck and Bavaria's 'fairytale' palaces and churches in the meadows. Packed with huge highlights, adventures, and bags of quality leisure time - you will not find another itinerary remotely like this one!

DAY 4

Potsdam Palaces and Gardens

A full day amongst the UNESCO Heritage listed glorious palaces and gardens of Potsdam! On our way to Potsdam we enjoy a photo stop on the famous Bridge of Unity - more famously known as the 'Bridge of Spies'. Arriving in Potsdam we enjoy a guided visit to Cecilienhof Palace, the last palace built by the German Kaiser, and the site of the 1945 Potsdam Convention where Churchill, Truman and Stalin famously met. Inside is a fascinating museum! The furniture, private reception rooms and huge conference table remain exactly as they were when these great leaders met to carve up a ravaged, post war Europe. After lunchtime in Potsdam's pretty Dutch Quarter, accompanied by our expert local guide, we stop to admire the elegant terraces in the gardens of Fredrick the Great's Sanssouci Summer Palace. We visit the astounding Neues Palais with its newly restored palatial rooms, including the Gottensaal (Grotto Hall) and Marmorgalerie (Marble Gallery). Later we drive south to Lübbenau in Spreewald, where we stay the next two nights. **Meals: B,D**

Your Spreewald hotel -

Hotel Schloss Lübbenau or similar

Perfectly situated a short walk from the edge of town, this wonderful 4 star hotel offers first class amenities and an award winning restaurant.

DAY 5

Spreewald punt ride and Lübbenau 'My Time'

Spreewald, or 'Spree Forest', is an utterly entrancing UNESCO listed biosphere reserve. Boarding our punts we are 'poled' silently through a dreamy forest on a lacework of channels and canals, lined with wooden cottages, jetties and hamlets. In the heart, at the village of Lehde, we enjoy a lunchtime stop at a waterside restaurant and 'biergarten'. Back in Lübbenau, your afternoon and evening is at leisure. Free time to relax or shop in this delightful inland harbour town. For the more active maybe take a walk or a bike ride along the forested pathways. And the local food speciality? Gherkins! **Meals: B**

DAY 6

Saxon Switzerland National Park sightseeing

We have an incredible day planned in Germany's 'Saxon Switzerland' National Park. First stop will be at the dramatic 75 metre long (easily accessible) stone Bastei Bridge which links the incredible rock formations, walkways and lookouts, 200 metres above the River Elbe. The panoramic views are stupendous! In the distance you will see the massive rock ramparts of Festung Königstein, which we visit next. Dating back to the 13th century, this is the largest fortress in Germany, and one of the very best castle visits in all Europe! The main entrance tunnel is so impressive, as is the 152 metre deep well, barracks and old wine cellars. The 1.5 kilometre long cliff top ramparts, often lined with restored cannon, are a thrill to walk along. Later, at Pirna, we stop to see the park and ornate gardens of Pillnitz Palace, before taking a cruise down the beautiful River Elbe. Journeying past palaces and mansions, and the UNESCO listed river farmlands, we arrive into Dresden at Brühl's Terrace, nicknamed 'the balcony of Europe'. We stay here three nights. **Meals: B,D**

Your Dresden hotel –**The Westin Bellevue or similar**

Overlooking the Elbe River, this excellent period style first hotel is in a fantastic location just a short walk across the bridge from Dresden's Baroque old town.

DAY 7

Dresden sightseeing

Rebuilt after the massive bombing raids of WWII, Dresden has once again bloomed into one of the most beautiful and elegant cities in Europe, reflecting the grandeur of this capital of the Electors of Saxony, who once ruled a powerful empire. On our morning walking tour you will see the glorious Zwinger Palace, the Semper Opera House and the symbolic Frauenkirche dominating the massive, ancient market square. Following the Fürstenzug – a dramatic, 100 metre long painted porcelain mural depicting the procession of Princes – we visit the Dresden Royal Palace. We have included entrance to the museums including the Armoury, Turkish Chamber, Riesensaal (Giants' Hall) and the fabulous New Green Vault with over 1,000 beautiful gold and silver bejewelled objects. Simply stunning! The rest of your day is at leisure to explore this delightful city. **Meals: B**

DAY 8

Bohemian Switzerland or Dresden 'My Time'

A wonderful choice today! Stay and explore Dresden independently – shopping or simply relaxing in the old squares and cafés. Alternatively, we have included a special activity just over the Czech border, amongst the wild sandstone mountains, gorges and rugged peaks of the 'Bohemian Switzerland' National Park. Here you have a range of stupendous walks and activities to choose from, as easy going or energetic as you wish. Maybe a short easy, flat walk along the bottom section of the picturesque Kamenice River gorge, before time at leisure browsing amongst the street side souvenir shops of Hrensko. For the more active there are two stunning walks from nearby Mazni Louka. The first, again easy and flat, is all the way down the Kamenice gorge, where the verdant forest clings to often vertical walls between 50 and 150 metres high above the river. Sometimes the gorge is so narrow you will walk beneath rock ledges and tunnels. Two sections, the Edmund Gorge and Wild Gorge, are so narrow they are only passable using delightful ferry rides on punts. The second, more vigorous walk, is up through the woods to the massive 'Pravcicka Brana' natural arch. The views from the café underneath it are simply magnificent. This evening, back in Dresden, we have included dinner in a local restaurant. **Meals: B,D**

DAY 9

Colditz Castle and Prague

Travelling west we reach one of the most infamous castles of WWII – Colditz. Subject of numerous books and films, this enormous castle became the prison for all the greatest POW escapees of the war. Ironically the Nazis therefore created an incredible escape training school! The museum is full of the most amazing array of escape tools and memorabilia. Our local guide will also show us some of the most impossible tunnels and escape routes. Utterly fascinating! Later we arrive into Prague where we stay three nights in the very heart of the old city. Dinner this evening will be authentic Czech cuisine in the U Pinkasu restaurant – enjoyed in a hidden courtyard beside a church. **Meals: B,D**

Your Prague hotel –**Hotel Adria**

This modern 4 star hotel is perfectly located on Wenceslas Square in the heart of Prague's cultural, historic and commercial centre.

Step back in time in Potsdam

Often called the 'Prussian Versailles', Frederick the Great's iconic Sanssouci Palace is certainly magnificent. But there is so much more to Potsdam! Between 1730 and 1916, 500 acres of parks, lakes and gardens were lavishly developed along with 150 palaces and ornate buildings. There is even a giant windmill! UNESCO designated the entire area as World Heritage listed, and that is why we spend a whole day exploring it! Sanssouci Palace was Frederick's smaller and more intimate home, and naturally we visit his spectacular terraced gardens. We also visit inside the enormous 'New Palace', which was sumptuously built to impress the world! Incredibly, it is 16 times bigger than Sanssouci! We enjoy lunchtime in Potsdam's rejuvenated Dutch Quarter; we send you back in time as you stand on the infamous Bridge of Spies, and in the Kaiser's Cecilienhof Palace, beside the table where a Dictator, a President and a Prime Minister changed the world forever! What a day! **See Day 4.**

See breathtaking views from the Bastei Bridge

4 Additions to your bucket list

Many people do not realise that Germany and the Czech Republic boast some truly extraordinary scenery, much of it so easily accessible. Take Spreewald, for instance. By staying 2 nights here, right in the delightful inland harbour town of Lübbenau, we can enjoy an incredible day exploring the amazing labyrinth of pretty waterways. So beautiful, so rewarding, and the hardest thing you have to do is just sit and relax on a punt! Then, there are the two stunning National Parks of Saxon and Bohemian Switzerland. The Bastei Bridge and Königstein Castle are simply dramatic. And, for those that want a true adventure we take you deep into the Bohemian National Park, unless of course that day you choose to stay and relax and shop in glorious Dresden. The Bastei, Königstein, Saxon Switzerland, Bohemian Switzerland? Never heard of them? 'Google' images of them and you will be simply amazed how quickly they rise up your 'bucket list'. See Days 5, 6 and 8.

The town centre, Schloss and Masaryk Square are a delightful mixture of colourful renaissance buildings and 'al fresco' cafés serving fish, and there are so few tourists! Later we continue to the perfectly preserved 13th century city of Cesky Krumlov. Originally built as a hamlet around the impressive castle, the wealth from the silver and gold mining, plus Catholic aristocrats seeking refuge during the Reformation, made Cesky Krumlov the most important city in southern Bohemia. We stay the next two nights in the very heart of this extraordinary, UNESCO World Heritage listed time capsule. On arrival we board large wooden rafts to enjoy a leisurely float slowly down the placid River Vltava. From your seats you will get the very best views up onto the castle walls and into the old town. What better way to introduce you to the city? Meals: B,D

Your Cesky Krumlov hotel – Hotel Ruze or similar

This 16th century monastery has been extensively reconstructed to preserve the beautiful Renaissance architecture and create a 70 room first class hotel, located in the centre of town, with wonderful views of the Vltava River from the hotel's terrace.

DAY 18

Neuschwanstein Castle and Tegernsee

We start the day in Hohenschwangau. On one hill overlooking the little village you have the neo-gothic castle of Hohenschwangau and on the other side above the village is a wooded mountain spur and Neuschwanstein – the fairytale castle of 'mad' King Ludwig. We take a leisurely stroll up the wooded road to enjoy a guided tour through Neuschwanstein Castle's state rooms, king's apartments, halls and throne room; all reminiscent of a Wagner operatic saga. Later this afternoon we will take a cable car ride up to Tegernsee to take in the excellent views down onto the fairytale castles far below. Your evening is at leisure in Füssen. **Meals: B**

Please note: The guided tour through Neuschwanstein Castle incorporates climbing up and down a number of staircases and, as there are no elevators, the inside visit to the castle this morning may not be suitable for those with walking difficulties or limitations.

Driving through Bavarian farmlands and forests we will stop at arguably the most beautiful church in Europe – Wieskirche (the 'Church in the Meadows'). Surrounded by green fields, the interior of this World Heritage Listed church is an astounding Rococo creation. Later we enjoy 'My Time' in Garmisch-Partenkirchen to relax in one of the traditional beer gardens or restaurants, or shop in the broad pedestrian mall. The famous Passion Play has been performed every ten years since 1633, a time when the Thirty Year's War and Bubonic Plague were ravaging Europe causing so much suffering and death. With a backdrop of Kofel Peak and surrounded by the Ammergau Mountains, the massive open-air stage erupts with colour, music, song and up to 2,000 local inhabitants enacting the story of the Passion of Christ. **Meals: B,D**
