Uluru Sunrise & Field of Light

EARLY MORNING

FOL

Internationally acclaimed artist Bruce Munro is noted for his immersive site-specific installations that employ light to evoke emotional response, often in an outdoor context and on a monumental scale. His Field of Light, inspired by a trip to Uluru over 27 years ago, is installed in a remote desert area within sight of majestic Uluru. It is his largest installation to date, with Munro and his team installing more than 50,000 slender stems crowned with radiant frosted glass spheres. It is truly a magical sight to behold.

- Depart the resort in total darkness for the short drive to Bruce Munro's renowned Field of Light installation
- Take it all in from a private dune-top as your host provides details of the artist and his incredible undertaking
- Wander through the paths surrounding the 50,000 hand-crafted frosted glass spheres of light, in colours of ochre, deep violet, blue and gentle white
- Why not find a quiet corner, covered under a blanket of stars, to immerse yourself in the silence?
- Return to the dune-top, where you'll be served a warming tea, coffee or hot chocolate. Watch as the dawn creeps across the desert plain and lights up Uluru – don't forget to look out for Kata Tjuta behind you!

Return to the resort in time for breakfast, all flight transfers or further activities.

What to Bring:

- Enclosed walking shoes, fly-net in summer months, warm layers in cooler months
