THE AAT KINGS

Difference

Indulge in an unforgettable voyage of discovery with AAT Kings. Our experience across this beautiful land ensures you'll see the world-renowned sights you've heard so much about, as well as the hidden gems your Travel Directors will bring to life.

From the endless shores and the lush rolling hills of the North Island to the majestic glacial fiords and alpine peaks of the South Island, our New Zealand holiday experiences create memories that will last a lifetime.

Over 100 years of experience

Our story begins with the Pyke family, whose spirit for adventure and passion saw them launch coach touring in Australia in 1912. Starting with self-drive car hire in 7-seater vehicles, we expanded to guided tours, becoming Sydney's largest tour operator by the 1960s. In the 1980s, we joined pioneering adventurer Bill King's Northern Safaris to create what has become AAT Kings today.

Service that'll make you smile

At AAT Kings our team of dedicated and experienced staff has been delivering hassle-free and unforgettable holidays for decades, and taking care of every little detail along the way. Your adventure through New Zealand is made that much more special with the knowledge that travellers have been choosing AAT Kings for over a century.

Authentic adventures

We're committed to showing you the real New Zealand, and providing experiences that stir up your sense of wonder. You'll enjoy a truly life-changing experience that is led by our expert Travel Directors and/or Driver Guides who have the inside track on these countries. From the intriguing characters, to the secret spots and cultural must-sees, you'll experience a New Zealand that you'll carry in your heart forever.

Holidays for everyone

With 20 unique itineraries you're destined to find an authentic holiday experience just for you. Enjoy value-for-money touring and quality hotels, all jam-packed with easy adventure, great flavours, and some surprises along the way. With AAT Kings, every holiday is expertly crafted to ensure you'll never have to worry about a thing.

Our **Commitment**

We are committed to establishing lasting relationships with our guests by exceeding their expectations the first time and every time, through consistently delivering outstanding quality of service, experience and value.

Our **Passion**

We show pride, energy and determination in all that we do. We are committed to creating exceptional experiences for our guests, employees and Travel Directors.

Our **Customers**

We put our guests at the heart of everything we do in order to secure their engagement, loyalty and recommendation.

Our **Responsibility**

Through our TreadRight Foundation, we strive to enhance and protect the communities we work in and to be a good corporate citizen.

MAKING TRAVEL *Matter*

AAT Kings partners with the TreadRight Foundation to safeguard the planet, wildlife and people in the places we visit for generations to come.

Travel is an incredible gift. It has the ability to open our eyes, our hearts and our minds to the unique cultures and spellbinding beauty of the natural world. But with this gift comes a responsibility – to protect the world as we know it.

By partnering with TreadRight, we work together to have a positive impact on the people and communities we visit, to help protect marine and wildlife, and to care for the planet we all call home.

People

At TreadRight, we are committed to encouraging the cultures, traditions and arts of the communities we visit to thrive. We seek to enable some of these communities to see true benefit from tourism through economic empowerment. We do this through our support of micro-enterprises, and community based tourism initiatives that build positive futures for community members and their families.

Planet

Reducing the environmental impact of our business isn't just a 'nice-to-have' for us, it's at the core of what we do. Together with The Travel Corporation, we are supporting projects striving to keep our oceans and coastlines clean, we're committed to safeguarding the future of our planet. We've committed to eliminating all single-use plastics in both our offices and out on the road by 2022. In 2017 we introduced our e-docs program which allows our guests to receive their travel documents digitally, replacing the need for paper whilst also having a tree planted in their name as part of our plant a tree initiative.

Wildlife

The world's wildlife is balancing on a dangerous precipice, so it is our responsibility to help protect some of these species most at risk from extinction. Partnering with leading wildlife organisations, we work to help protect and rehabilitate some of the elephant, rhino and big cat populations around the world, whilst also educating our guests on ethical wildlife experiences. Here in Australia, we've partnered with Australia Zoo Wildlife Warriors, one of the largest and busiest wildlife hospitals in the world! Their mission is to rescue, rehabilitate and release sick, injured or displaced native wildlife, contributing to research that supports conservation of Australian native fauna.

OUR LOCAL Projects

55% OF KIWIS HATCHED
– *nationwide* –

Rainbow Springs Nature Park

We support the conservation of New Zealand's iconic native bird, the endangered kiwi. The hatchery at Rainbow Springs is the largest kiwi conservation hatchery in the world.

- 76% of all North Island chicks and 55% of chicks hatched nationwide are incubated at our hatchery
- Visitors on our 'behind the scenes' tours are given a unique insight into the work that our teams do every day to help save the kiwi
- Our Kiwi Breeding Program hatches and raises chicks and performs health checks and daily monitoring
- Donations assist with funding research into incubation and rearing
- The aim is to help raise awareness of the protection of the kiwi and play a pivotal role in their survival

OVER **2000** KOALAS
– *helped* –

Australia Zoo Wildlife Warriors

Thanks to AAT Kings and the TreadRight Foundation, the Australia Zoo Wildlife Hospital has treated over 2,000 koalas since 2014. As Australia's busiest koala hospital, the facility is at the forefront of koala research and conservation.

- Despite being one of Australia's most iconic animals, the koala is under severe threat in the wild
- Habitat destruction, road accidents, dog attacks and life threatening diseases continue to devastate populations
- Through sponsoring the AAT Kings Trauma Treatment Ward at the Wildlife Hospital, the TreadRight Foundation directly helps up to 13 koalas in recovery at any one time
- With this support, the dedicated team of veterinary staff work tirelessly to provide hundreds of koalas each year with a second chance at life in the wild
