THE GHAN & INDIAN PACIFIC ESCORTED GROUP TOURS

2021

Why a Hervey Bay Travel Group Tour

THE GHAN

Do you want to join us on a group tour featuring the all new Great Southern Train? Or a tour on the already famous Ghan or Indian Pacific? We are seeking expressions of interest for our 2021 fully escorted group tours and to see if a group tour is viable on The new Great Southern train.

Great Value – Great Sights

All of the tours cover many iconic sights, are very comprehensive and cut no corners, while still representing great value.

Experienced Tour Guide

With all our rail based group tours, there is the benefit of an experienced tour guide to take the worry out of your holiday and to make your journey as informative as possible. This means that you will not only take in the grandeur of the country, you will also be educated on the history of the area.

Home Pick Up and Drop Off

We have also included a home pick up, plus all flights and transfers, so that all you have to do is wait at home or your pre arranged departure point and we will drop you right back there on return.

Gold Service Includes Everything

On the train section of your tour, you will be travelling in Great Southern Railway's Gold Sleeper service. This is a high quality level of cabin at a reasonable price and includes all meals. As an added bonus the Gold Service passenger fare now includes all food & beverages plus off train tours.

Quality Accommodation Throughout

The hotel accommodation has been selected to provide a good balance of quality, location and budget to make your holiday as comfortable as possible.

Must See Sightseeing

The included touring options are operated by locals in the region you visit and have been carefully selected to take in the "must see" sights of the region so that you can experience all you can within the time frame allowed.

Experience Counts

After many years of experience in providing rail tours to our clients, and acting on feedback, you can be assured that all possible details have been catered for to make these tours the best value for money we can offer.

Limited Numbers – Book Early

We only have a limited number of seats on each tour which in most cases can't be increased and then if we can get extra seats, there may be extra costs involved. So make sure you book as early as possible so you don't miss out.

Tour Itineraries

Please call us for an individual flyer on each tour you are interested in, which gives a detailed day to day itinerary. (when available)

If you have any questions or would like to book please phone or call into Hervey Bay Travel & Transit Centre.
