Afternoon – Uluru Sunset (Y11)

Travel from Ayers Rock Resort to the Uluru sunset viewing area. Enjoy nibbles and a complimentary glass of wine as the sun sinks over the western horizon and the evening sky brings out the many shades of colour for which Uluru is famous. It is recommended that you photograph Uluru every 5 minutes to really capture the gradual colour changes of the rock. Please Note: If you are arriving via a Red Centre Connection or Flight, you may not have time to check into your hotel room before your afternoon tour departure time. Please have a Day Pack ready to go which includes the following items - Appropriate walking shoes, hat, sunscreen, warm jacket during the cooler months & a minimum of 1 litre of water.

Morning – Uluru Encounter (Y1)

Enjoy the freedom to experience Uluru at your own pace, starting in the cool of the morning. Depart Ayers Rock Resort for the drive to your choice of either the Kuniya Piti or Mala Walk at magnificent Uluru. Along the way your Driver will provide interesting commentary about Uluru, Kata Tjuta and the surrounding area. Once there take a self-guided walk to experience Uluru, staying as long or as little as you wish in the locations of your choice. View sacred sites, Aboriginal rock art and the area's flora and fauna. You'll be picked up by your Driver 4 hours later from the Kuniya Piti, Mala Walk or the Cultural Centre for your return to Ayers Rock Resort.

Afternoon – Kata Tjuta Sunset (Y8)

This afternoon enjoy a leisurely drive out to Kata Tjuta (the Olgas) for one of our favourite sunset experiences in Central Australia. Along the way your Driver Guide will explain the geological and cultural history of the area. Marvel at the unique flora and admire the view of the central valley of the domes of Kata Tjuta while you take in a magnificent outback sunset with canapés and Australian wine.

Tour returns to Ayers Rock Resort approximately 60 minutes after sunset.

Morning – Uluru Sunrise & Field of Light (FOL)

This morning you will be picked up at your accommodation in a luxury coach to be taken the very short distance to the exclusive Field of Light location. With just enough time for some background commentary on the internationally renowned artist Bruce Monroe, you will arrive very excited to see his latest artistic endeavour. Arriving in complete darkness, you will be able to enjoy the 50,000 globes of light in the desert, before making your way up the hill to the Field of Light sunrise viewing platform.

Once at the platform, the AAT Kings team will be serving you tea, coffee or hot chocolate. You can enjoy your beverage as the sun starts to creep light throughout the sky and then watch in awe as it pops up in the distance behind Uluru, flooding the landscape, including Kata Tjuta behind you, with light.

As the natural light brightens the landscape, the Field of Light will dim for the day. Enjoy some amazing photos from this unique raised location that allows you to view both Kata Tjuta and Uluru in all their natural glory. What's Included
