### Afternoon – Uluru Sacred Sites & Sunset (Y17)

Visit Uluru - Kata Tjuta Cultural Centre where there is time to purchase some locally made Aboriginal art and learn more about the Western Desert region.

Later travel around the base of Uluru with a local Driver Guide. Learn about the native flora, fauna and intriguing cultural traditions of traditional owners, the Anangu, and discover an array of fascinating sacred sites. Join your Driver Guide for a walk to Mutitjulu Waterhole. You'll explore a number of caves and view Aboriginal rock paintings as your Guide interprets their meaning and significance.

Travel to the Uluru sunset viewing area, 'Sunset Strip' and relax with a glass of wine and Nibbles as the sun sets over the western horizon and the evening sky brings out the many shades of colour for which Uluru is renowned.

Please Note: If you are arriving via a Red Centre Connection or Flight, you may not have time to check into your hotel room before your afternoon tour departure time. Please have a Day Pack ready to go which includes the following items - Appropriate walking shoes, hat, sunscreen, warm jacket during the cooler months & a minimum of 1 litre of water.

### **Morning – Uluru Sunrise & Field of Light (FOL)**

This morning you will be picked up at your accommodation in a luxury coach to be taken the very short distance to the exclusive Field of Light location. With just enough time for some background commentary on the internationally renowned artist Bruce Monroe, you will arrive very excited to see his latest artistic endeavour. Arriving in complete **darkness, you will be able to enjoy the 50,000 globes of light in the desert, before making your way up the hill to the Field of Light sunrise viewing platform.**

Once at the platform, the AAT Kings team will be serving you tea, coffee or hot chocolate. You can enjoy your beverage as the sun starts to creep light throughout the sky and then watch in awe as it pops up in the distance behind Uluru, flooding the landscape, including Kata Tjuta behind you, with light.

As the natural light brightens the landscape, the Field of Light will dim for the day. Enjoy some amazing photos from this unique raised location that allows you to view both Kata Tjuta and Uluru in all their natural glory. What's Included
