

## PROUDLY SUPPORTING THE SCHOOL OF ST JUDE

---

The Higher Impact Program is a philanthropic program that encompasses all of those within the Helloworld Travel Limited family, giving us the opportunity to band together and support our chosen cause: The School of St Jude in Tanzania. Through donations and initiatives that raise awareness and participation, the program will maximise our impact as a group to allow us to make a greater overall difference in the lives of the students and their communities.

The mission of The School of St Jude is to educate disadvantaged, bright students from the Arusha District to become moral and intellectual leaders in their country. St Jude's provides a free, high-quality education to 1,800 students at a primary and secondary campus. Bookings with us support this initiative through Helloworld's Higher Impact Program.

Your support this financial year has had far-reaching impacts; from St Jude's students and Alumni to their families and communities; from our staff and local community members all the way to you – our kind supporters. Here are a few of our achievements during the 2020/2021 financial year that we are proud to share with you;

- > Educated 1,800 students in primary and secondary with 100 % of our secondary students in boarding.
